

Music Project
DUE JANUARY 21st, 2018*

Part I

Pick an artist, group, genre of music, musical, or anything that you would like to write about that has to do with music. You will write a three paragraph paper on what you have chosen.

The first paragraph will explain who, what and where's of your subject matter.

If you are writing about an instrument... who designed it? where did it come from?, what is it made of? Etc.

If you are writing about a musical, same thing...Who wrote it, when, where etc.

It will be the same thing for a group or individual singer.

The second paragraph will explain accomplishments and what your subject matter is known for. What is your subject matter remembered for? Why are they (it) famous?

The third paragraph will explain what has happened to your subject matter. Is the musical still running on Broadway? Is the band still around? Are they still performing? Is the instrument still being used today?

Your paper should be typed, and double spaced. If you decide to write your paper it **MUST** be double spaced.

DO NOT CUT AND PASTE from the internet. Use your own words when writing. Do not plagiarize!

Part II

Make a collage using pictures from any source you wish or draw them if you wish. Decorate them too, if you would like.

***NO EXCEPTIONS...All papers due on the 21st.**
