### From the School Office

We are excited to announce the introduction of **Google Apps for Education** in our Technology Class and core curriculum classes for grades 4-8. Google Apps for Education is a suite of free, web-based programs that includes email, document creation, shared calendar, and collaboration tools. This service is available through an agreement between Google and DMA. With the arrival of our new Chromebook laptops in the 4th & 5th grades this year, and the middle school last year, we are working on teaching students using a hybrid approach that incorporates proven traditional teaching techniques along with the most current and cutting-edge information technology tools. Through these transformative and empowering learning

experiences, our students will more confidently be able to navigate safely through our technology-driven world.

## Candy Bar HSA Fundraiser

Our Gertrude Hawk candy bar fundraiser is underway! Each family should have received one 48-count variety box of candy bars. This fundraiser is a simple way to raise money for our school! One great way to sell lots of bars is to display a box at work. The bars are \$1.00 each, and this is a 40% profit fundraiser. Once your box is sold, please return the \$48 payment to school to the attention of Susan Shasa. Please send payment by the end of February. If you would like additional chocolate bars, email [susanshasa@verizon.net](mailto:susanshasa@verizon.net). If you do not wish to participate, simply return the box to school.

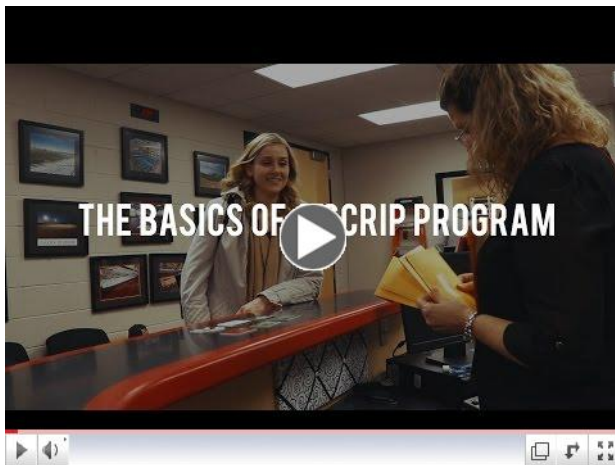

## Tag Day--February 8

Donate \$1 or more to dress down in a sports jersey. Proceeds will benefit the Wounded Warrior Project.

## Gift Cards and Scrip

Remember to order your [gift cards](#) tomorrow and your [scrip](#) by next Tuesday! [Scrip is also available online.](#)
