There are still too many that are not close to being off book. This show has a lot of movement and it is difficult to block when you still have scripts in your hands.

Starting in April, the Chorus Group will be joining in rehearsals and we will be working on the group numbers. Remember, this show has a lot of musical numbers and they need to be choreographed. It will mean that everyone should do their best to be at all the rehearsals and definitely off book.

ALSO... if you cannot make a rehearsal, see if the person playing the same part as you can fill in for you. This way we can still have a full cast at rehearsal and you can make up the time at the next rehearsal.

ALSO...there are still many who have brought in their \$10. Please do so ASAP!

Also remember that if you cannot be picked up at the end of rehearsal time you will need to go to the after-care program in the school.
