

Summer, 2018

Dear Incoming First Grade Students  
and Parents,

I am looking forward to working with all of you. I would like to take this opportunity to wish you all a wonderful fun filled summer with lots of beautiful memories.

Spending time with family and friends helps to rejuvenate our minds, body, and souls. So relax and enjoy.

Here are a few tips for making a great transition from kindergarten into Grade 1. I can not stress the importance of parents reading to their children every night or in some cases allowing your child to read to you. Children entering First Grade should have addition and subtraction facts from 0-10 memorized.

First Grade is a challenging year. I will do my very best to gently guide them through all the challenges they encounter.

Finally, the First Grade will be going on a field trip to Jenkinson's Aquarium and Pt. Pleasant Beach for a scavenger hunt. Please **SAVE THE DATE:** tentative-9/28. I would like at least 1 chaperone per child. We will be taking an air conditioned bus, with dvd, and bathroom.

I'm looking forward to next year. God bless you.

In Christ,  
Mrs. Lucy Rovegno
