Take notes on your reading. We will be doing activities and assessments in the beginning of the school year based on this book.

Character is determined in the following ways:

1. What a character looks like.
2. What a character does.
3. What a character says and thinks.
4. What other characters think and say about the character.

You will complete two character analysis charts for this book.

(Charts are attached) One chart must be done on the character of Mr. Ross. For the second chart you may choose one of the following characters to analyze: David, Laurie, or Robert.

Responses must be 5-7 sentences in length, informative, and written in complete sentences. You may type your responses.

In addition to the 2 character analysis charts, please answer the questions on the attached Reading Response Sheet.

You will bring your notes, completed charts, and response questions to class for the first day of school. Please staple them together. The completed pages will represent your first graded assignment for Literature. **I will collect your charts and responses on the first day.**
